

## Second Adventure Club to Start Activities Nov. 16

Registrations are being accepted for the Torrance YMCA's second five-week series of Saturday fun for all boys between the ages of 8 through 12.

The program, called the YMCA Adventure Club, provides a wide variety of activities for boys to enjoy during most Saturdays during the school year.

The next session begins Saturday, Nov. 16, with a trip to Jungland in Thousand Oaks. There the boys will see many circus acts as well as clowns

and a circus animal zoo. They will make a lunch stop in Tapia Park on the way to the circus winter quarters.

On Nov. 23 they will participate in a tournament day with many contests and chances to win YMCA ribbons for their efforts. Archery is always one of the most popular events on these days. Following the morning games the boys will visit the USS Mistillion, a Navy oiler docked at the Long Beach Naval Station.

The boys will travel to Hancock Park on Nov. 30 at see

and learn about the La Brea Tar Pits. After lunch in Exposition Park they will visit the Los Angeles County Museum to view the prehistoric animals recovered from the pits.

On Dec. 7 the boys will be guests of Southern Pacific as they tour Dieselville to see the huge locomotives and the operations of a modern train yard. They will also tour the Union Depot in downtown Los Angeles following a picnic lunch in Griffith Park.

The highlight of this session

comes on Dec. 14 when the "Y" boys travel to Sky Forest to see Santa Claus Village during the Christmas season. They will see reindeer, the North Pole, Santa's workshops, and enjoy the mountains before they return home.

All boys are welcome to attend these sessions. Parents may register their children by calling the Torrance YMCA before Nov. 16.

**Peak Named**  
A peak in Alberta, Canada, is named Mt. Eisenhower.

**My Neighbors**

"We call him 'Creeping Inflation'—he's too big, too weak, too costly, and good for nothing."

**Salt Needed**  
Adding salt will increase the conductivity of water.

**NEW SCOUT CENTER . . .** Shown is the new Torrance Scout Center, funds for which are being sought by the Torrance Junior Woman's Club. The building will be located on Plaza del Amo, near Arlington, adjoining the present YMCA building. The northeast wing of the building will be built first, with the others to be added later.

## Funds for Scout Center Sought by Junior Women

A drive to raise an additional \$3000 in labor and materials for the Torrance Scout Center, to be located on Plaza del Amo near Arlington Ave. now is under way, according to Mrs. R. J. Setting and Mrs. Z. C. Renfro, who are heading the drive.

The proposed center is a project of the Torrance Junior Woman's Club, which already has raised \$7500 of the money. Business and professional men, as well as local organizations, will be contacted to raise the additional money, the drive leaders said.

Planned first is the north-

east wing of the building, which eventually will be a U-shaped structure, with 130 feet facing Plaza del Amo and two wings jutting back 60 feet.

The wing will be adjacent to the present YMCA building, and will include a main hall 47 by 29 feet, with an eight-foot fireplace flanked by wood storage units and bookcases. A well-equipped kitchen and lavatories also are included. The 1800-square foot wing will have high windows facing the street, for privacy, and doors opening onto a rear patio porch.

The completed building will

be styled of brick and redwood in California architecture. The interior will feature natural brick walls, exposed beams, and polished concrete floors. The complete plan includes a main hall, kitchen, patrol and committee rooms, and office.

The Scout Center is the "Build a Better Community" project of the Junior Woman's Club. Prizes for this state contest among California Federated Junior Woman's Clubs are underwritten by the Sears-Roebuck Foundation on the condition that every club in the state participates.
